

# AI Resume Review for: CV1.pdf

Score: 35

Suggestions:

1. Replace sales-focused content with technical experience: Create a dedicated 'Technical Skills' section
2. Reposition education for tech relevance: Add technical coursework, academic projects, or certification
3. Revise achievements to emphasize technical impact: Quantify engineering accomplishments instead of

Raw Feedback:

Strengths: Clear quantifiable achievements in sales (e.g., 25% revenue growth), demonstrat
